To Whom It May Concern:

Pursuant to the New Jersey Open Public Records Act, I hereby request the following records:

A public records request to the city of Boca Raton revealed that the US Secret Service purchased Magnet Forensics for the city some time before November 2017. President Trump is known to travel to Boca Raton. He is also known to go to the Bedminster golf course. Therefore, I request the following records:

- Any documents associated with the purchase of Magnet Forensics by the Bedminster Police Department, or by the US Secret Service. These documents may include contracts, grant applications, payment forms, payment orders, service agreements, and terms of service.

Please note that these documents may be associated with the Bedminster Police Department, or the City Clerk's Office.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes. It will be used in the course of reporting for Motherboard, VICE's science and technology website (www.motherboard.vice.com).

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 7 business days, as the statute requires.

Sincerely,

Caroline Haskins
